

## The River of Life

*Then the angel showed me the river  
of the water of life, bright as crystal,  
flowing from the throne of God and  
of the Lamb through the middle  
of the street of the city.*

*On either side of the river is the tree  
of life with its twelve kinds of fruit,  
producing its fruit each month;  
and the leaves of the tree are  
for the healing of the nations.*

*Revelation 22:1-2*

# Our Saviour's Columbarium

Our Saviour's Columbarium provides a peaceful resting place for loved ones. All are welcome in the Columbarium, both members and nonmembers.

The Columbarium offers a private and reflective area for inurnment of cremated remains. Urns are placed in compartments (niches) within a columbarium structure. The niches will have bronze plaques. A peaceful fountain in the center is a reminder of the eternal water of life that continues to flow from this world to the next.

The garden in the Columbarium also offers the option to scatter the ashes of loved ones. The names of the deceased will be placed on the Memorial Butterfly.
