

Memorial and Gift Opportunity

Our Saviour's has a unique opportunity to enhance the beauty of our worship space with a selection of new banners and paraments. Some have been displayed already, some are for upcoming seasons of the church year. We are asking for people who may be interested in giving one of the items as a gift or memorial for a loved one to consider doing so. We will publish the memorials the first time the banner is displayed to honor and give thanks.

Background of how we acquired these paraments: we reached out to the previous director of the paraments division of Augsburg Fortress (the ELCA publishing house.) When Augsburg Fortress cut this division a number of years ago, the director launched her own paraments company, and she has now retired. These are some of her sample items which she is offering to us at half price. They are custom made from a textile company in Belgium.

How to proceed: please email Jennifer at jthurman@oursaviourslc.org or call the church office to indicate for which parament you would like to give a gift or if you have additional questions. Thank you for considering being a part of enhancing our worship space in this way!
